

St. Margaret's Equality Objectives

Attainment and Progress

- 2. Equality objective: To investigate the lack of progress of above average boys to determine its cause, remedy perceived difficulties and bring on improvement.**

The head will:

- analyse tests results of above average boys across the school on a termly basis as a minimum**
- look for patterns in performance**
- look at attendance, punctuality and behaviour**
- Carry out lesson observations with particular reference to above average boys.**
- Scrutinise planning and identify provision for these above average boys**
- draw conclusions and hypotheses**
- discuss with staff**
- form a plan**
- monitor progress**

Outcome: To use the information gathered to implement strategies to meet the needs of all above average boys, so that they make at least expected progress by the time they leave St. Margaret's
