

**Diane Hill**

I am chair of governors and am the diocesan representative. I joined the governing body in 1996 firstly as a parent governor having had two children attend the school and then became a community governor. I serve on the majority of sub-committees as Chair and I am the BGA representative.

I have been involved with the out of school club at the school Smarties since its inception and currently chair the management committee. I am a member of St Margaret's church and serve on the PCC .

I work in the NHS so I am used to working in a constantly changing environment which has many parallels to the educational arena.
