

**Gillian McConville**

My name is Gillian McConville and I have served on St. Margaret's CE Primary School Governing Body for 19 years.

Initially I was a parent governor, my 3 children all attended St. Margaret's School. I am now a Foundation Governor.

I am a regular attender at St. Margaret's Church and have acted as Sunday school co-ordinator for 18 years.

My passion is early years' education and I have worked at St. Margaret's pre-school as manager for the past 20 years. Prior to that, I was a secondary school teacher, teaching home economics.

I am committed to supporting St. Margaret's school to realise the potential of all individuals and to help maintain and exceed the school's high standards.
