

Privacy Notices: Information about pupils in schools, alternative provision, pupil referral units and children in early years settings

Data Protection Act 1998: How we use your information

We process personal information relating to our pupils and may receive information about them from their previous school or college, local authority, the Department for Education (DfE) and the Learning Records Service. We hold this personal data to:

- support our pupils' learning
- monitor and report on their progress
- provide appropriate pastoral care; and
- assess the quality of our services

Information about our pupils that we hold will include their contact details, national curriculum assessment results, attendance information, any exclusion information, where they go after they leave us and personal characteristics such as their ethnic group, any special educational needs they may have as well as relevant medical information. For pupils enrolling for post 14 qualifications, the Learning Records Service will give us the unique learner number (ULN) and may also give us details about your learning or qualifications.

Public Health Services - For pupils aged 5 to 16 years, the Local authority Childrens, Young People & Culture department from information already supplied by schools to the local authority will pass on basic demographical information to the Public Health service, for the sole purpose of Public Health using the information for organizing, developing and monitoring child immunization programs, to ensure that all parents and pupils receive prompt and accurate details of information in respect of their child's immunizations. The school information that will be provided for this purpose will be the name and address of the pupil and their parents and school attended. In addition, the date of birth of the pupil is supplied.

In addition once our pupils reach the age of 13, the law requires us to pass on certain information about them to Bury Local Authority who have responsibilities in relation to the education or training of 13-19 year olds. We provide them with these pupils' names and addresses, dates of birth, name(s)/address(es) of their parent(s)/guardian(s) and any other information relevant to their role. We may also share certain personal data relating to children aged 16 and over with post-16 education and training providers in order to secure appropriate services for them.

A parent/guardian can ask that no information apart from their child's name, address and date of birth be passed to Bury Local Authority by informing **Mrs S Cunningham**. This right is transferred to the child once he/she reaches the age 16. For more information about services for young people, please go to our local authority website [Bury Youth Service](#).

[Careers guidance – schools that pass young people's information to careers guidance services, or to the national careers service, may wish to set out details here.]

We will not give information about you to anyone without your consent unless the law and our policies allow us to.

[For schools:] We are required, by law, to pass certain information about our pupils to our local authority (LA) and the Department for Education (DfE).

[For academy and free school use only:] We are required, by law, to pass some information about you to the Department for Education (DfE). This information will, in turn, then be made available for the use by the LA.

If you need more information about how our local authority and/or DfE collect and use your information, please visit:

- our local authority at [Use of Information](#) or
- the DfE website at <https://www.gov.uk/data-protection-how-we-collect-and-share-research-data>

If you want to receive a copy of the information about you that we hold, please contact:

- Mrs Cunningham, School Business Manager.
