

15th June 2017

Dear Parents

Infant Sports Morning

As previously mentioned, our Infants Sports morning will take place on Monday 19th June on the school field beginning at 9.30am. The children will all need their PE kits, including black pumps, in school for this. Please make sure if the weather is fine and sunny that they have already had sun screen applied and that they have a sun cap/hat on to protect them, as we will expect to be out on the field for at least two hours. They should also have their water bottles with them. It will be great if you can come to join us. Please watch the sports from the banking at the top of the field. The children have been practising and they are all excited at taking part. If the weather is wet and we feel we need to cancel this event, we will text you as soon as possible and the sports morning will then take place on the next dry day.

Junior Sports Morning

As previously mentioned, the Junior Sports morning will take place on Tuesday 27th June beginning at 9.30am on the school field. As discussed above, please make sure your child has their PE kit, had sun screen applied if necessary and has a cap to wear. Again, we expect the sports morning to last approximately two hours so the children should all have their water bottles with them. We hope to see you there!

School Trips

All trips undergo very detailed Risk Assessments. In the light of recent events, advice has been sought from Bury Local Authority and Council and the Police, regarding future planned visits, so please be assured that as always, the safety of the children is paramount. We hope this will give you ease of mind. We want the children to enjoy their end of year fun. If you pay for a school trip by cheque, then please remember to make it out to St Margaret's.

School Fair

The school Fair takes place on Saturday 8th July. This year, due to popular demand, we will re-introduce the sponsored walk element of the fair, so we will be sending home a sponsor form with each child. To ensure the fair is a success we will be holding non uniform days on Fridays leading up to the fair. The first will be on Friday 30th June when we would like you to send in a gift for our Tombola stall. The Tombola is always a popular stall and it's great to get a wide variety of gifts on display. Then on Friday 7th July, we would like you to send a bottle for the bottle stall which is always a great success. This year we are going to introduce a 'good as new' uniform stall so if you have spare uniform that your child has grown out of and it is still in good condition, then please send it in for this stall. We will send reminders out over the next few weeks and we are looking forward to seeing you there.

Yours sincerely

K Perry
Head Teacher
